THREEBOND INTERNATIONAL | 513.779.7300 | THREEBOND.COM

Nail Care Partners Since 1973

ThreeBond International has been a business-to-business leader serving the Nail Care Industry including retailers and independent salons. Our quality manufacturing of instant adhesives (cyanoacrylates), accelerators and removers have helped drive success for businesses across the nation. Specially filled and packaged in our facility in West Chester, Ohio, our products and array of bottle choices enable you to present your own private label and further build your brand.
